

Ed Baines BA MA FRSA

Recent Experience:

Facility Planning Advisor to DfE in the UTC Project,

providing analysis of and challenge to proposed curriculum models and deriving an affordable, effective accommodation schedule for each UTC. This work has been carried out in conjunction with Mott MacDonald Ltd.

Facility Planning Advisor to Mott Macdonald on Studio Schools, analysing curriculum models and deriving effective value-for-money facility plans

Other Past Experience includes:

Facility Planning for Shipston High School, assisting Flinders Chase in the development planning of this successful, growing school in Shipston on Stour.

Development Planning for Cox Green School, Maidenhead, providing advice and facility planning detail to the Head and Business Managers the school meets LA requirements for growth and development.

Development and Facility Advice for Cardinal Newman College, Preston working with Flinders Chase to plan this highly successful College's future thinking and development.

Masterplanning including Facility and Accommodation Development for Mill Hill County High School and Thomas Aveling School Rochester working with Clipston Construction Company (CCC) to assist development in line with growth opportunities and curriculum development.

Brief Profile

Ed has been involved in the Academies programme since its inception in 2002, advising on educational development, curriculum thinking and facility planning. He has a broad range of experience and expertise in education consultancy, including Academies, UTCs, Free Schools, BSF and FE projects. Ed's educational background is largely school oriented, rising quickly to Headship of a 6fe 11-18 school, a post he held for over ten years. His leadership at Deputy and Headship level was marked by a focus on improving educational experiences and outcomes and on innovation and modernisation.

Other education experience:

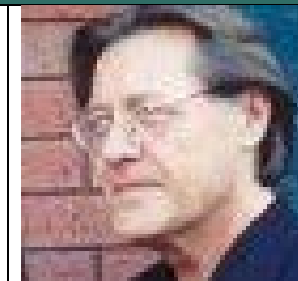

- Chairman of Board of Governors, Tresham College, Northants 2000 - 2011
- Extensive work in **international sector**
- Member of working groups in East Midlands developing competency based curriculum for RSA: elected Fellow of RSA 1994
- Lectured for Leicester University's MBA programme
- Contribution to education sector recognised by University of Northampton with Honorary Fellowship (2013)

Position within Harvest Education:

Director and Principal Education Consultant

What our clients say:

A recent endorsement from Dean Lythgoe, Principal Designate of Studio@Deyes - an exciting project in Maghull:

"A pleasure to work with, Ed brings experience, interest and a keen eye for detail. His perceptive questioning challenged and moved my thinking on our build forward. We'll create a better school for his input."

When not at work:

Voracious reader – history, philosophy, education, good fiction, poetry. Ardent spectator of football and rugby. Love long walks. Think life and Music go together!
